

# *Passiflora* 'Star of Jerusalem'

Registration Number: 189

Registration Date: June 2, 2014

Grower of original plant, Submitted by: Sandra Prais

Parentage: *P.* 'Amethyst' x ?

Flower

Sepal color: purple to purple-blue  
Petal color: purple to purple-blue  
Flower diameter: 10.0cm  
Floral tube length: N/A  
Flower shape: Reflexed  
Flower position: Oblique  
Stigma color: green  
Styles color: light green with burgundy mottling  
Position of androgynophore: Center  
Awns: long  
Quantity of pollen: Copious  
Color of pollen: Orange  
Scent: None

Blooming period: Year round  
Duration of bloom: 1 day  
Flower opens: Early morning  
Flower closes: Early morning  
Number of coronal series inner and outer: 3  
Filament morphology: Straight  
Color of outer coronal series: dark purple/ white/  
purple  
Color of inner coronal series: dark purple  
Lobation: Variable  
Foliage shape: Palmatipartite  
Foliage dimensions: 16-17 x 10-11 cm  
Leaf margin: Entire

Foliage

Adaxial texture: Flat  
 Abaxial texture: Flat  
 Adaxial coloration: medium green  
 Abaxial coloration: light green  
 Quantity of petiole glands: Scattered  
 Petiole gland shape: Goblet-shaped  
 Petiole gland color: green with burgundy on top  
 Petiole gland position: Mid  
 Vine color: green and occasionally red  
 Vine shape: Round  
 Vine texture: Smooth  
 Fruit shape: Ovoid  
 Fruit color: green to yellow when ripe  
 Fruit size: 8-10 x 4-5cm  
 Number of seeds: Many  
 Color of arils: orange  
 Flavor of arils: bad - smells awful  
 Peduncle length: 10cm  
 Peduncle position: Intermediate

Flower

Bract size: 2.0cm  
 Bract shape: rounded triangular  
 Bract color: light green  
 Extrofloral nectaries: N/A  
 Description of stipules: crescent shaped the longer end pointed  
 Vine vigor: Excellent  
 Floriferousness: Excellent

Light requirements: Partial sun  
 Humidity requirements: Not particular  
 Max temp: copes with 30+ C  
 Min temp for leaf hardiness: could be below 0 C  
 Min temp for root hardiness: 0 C or lower  
 Additional information: N/A  
 Hybrid is named for: The place it is grown
