

Passiflora 'Alyssa'

Registration Number: 192

Registration Date: June 7, 2014

Creator of seed, Grower of original plant, Submitted by: Josh Krupnick

Parentage: ((*P. 'Jutta'* x *P. incarnata*) x *P. incarnata*) x *P. incarnata*

Flower

Sepal color: White
Petal color: White with pale violet
Flower diameter: 7.0cm
Floral tube length: N/A
Flower shape: Reflexed
Flower position: Hanging facing upwards
Stigma color: Bright green
Styles color: Light green with dark purple mottling
Position of androgynophore: Center
Awns: Small
Quantity of pollen: Scant
Color of pollen: Yellow
Scent: Yes - pleasant

Description of scent: Mild soapy, perfume scent
Blooming period: Spring and Summer
Duration of bloom: 1 day
Flower opens: Late morning
Flower closes: Early morning
Number of coronal series inner and outer: 6
Filament morphology: Wavy
Color of outer coronal series: Blue-violet with white mottling; blue and white banding
Color of inner coronal series: Pink to light purple
Lobation: 3
Foliage dimensions: 5.5-10 x 4.5-9cm
Leaf margin: Serrate

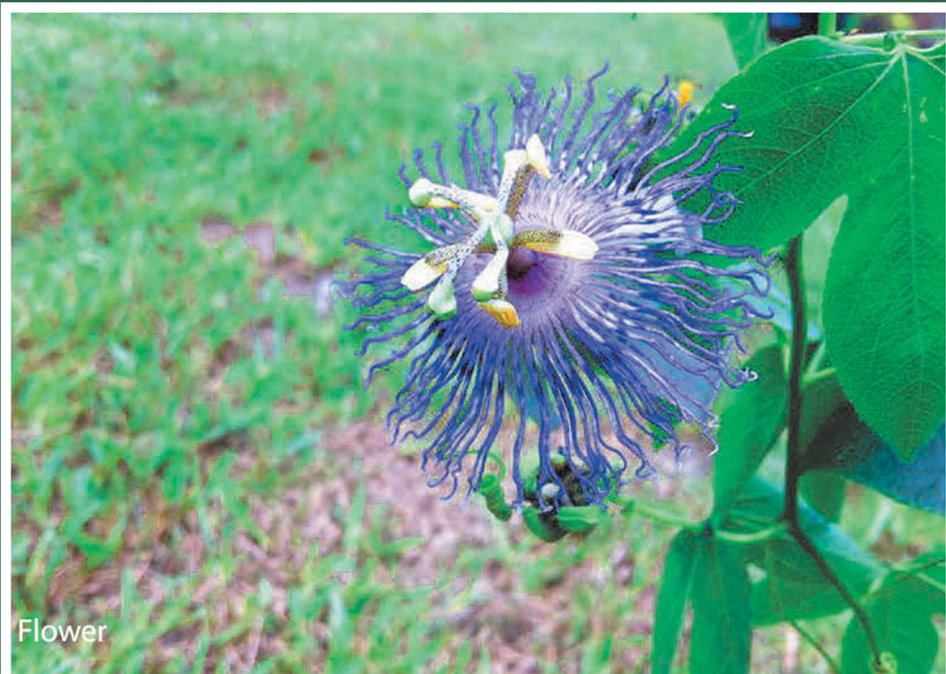

Foliage

Adaxial texture: Flat
 Abaxial texture: Flat
 Adaxial coloration: Bright green, slightly glossy
 Abaxial coloration: Dull green
 Quantity of petiole glands: Single pair
 Petiole gland shape: N/A
 Petiole gland color: Green
 Petiole gland position: N/A
 Vine color: Green
 Vine shape: Round
 Vine texture: Smooth
 Fruit shape: N/A
 Fruit color: N/A
 Fruit size: N/A
 Number of seeds: N/A
 Color of arils: N/A
 Flavor of arils: N/A
 Peduncle length: 5cm
 Peduncle position: Upright

Flower

Flower

Bract size: N/A
 Bract shape: N/A
 Bract color: Green
 Extrofloral nectaries: Yes
 Description of stipules: Serrate
 Vine vigor: Good
 Floriferousness: Good
 Light requirements: Full sun
 Humidity requirements: Moderate

Max temp: N/A
 Min temp for leaf hardiness: 3C
 Min temp for root hardiness: At least 0 degrees C
 Additional information: The origin of this hybrid was from a *P. 'Jutta'* cross created by Hal Love of Tennessee, which was back-crossed with *P. incarnata* pollen from the wild in Central Florida.
 Hybrid is named for: Alyssa Krupnick, the breeder's daughter.
