

# *Passiflora* 'Sarah Rachel'

Registration Number: 197

Registration Date: June 24, 2014

Grower of original plant, Submitted by: Shawn Mattison

Parentage: (*P. kermesina* x (*P. loefgrenii* x *P. caerulea*)) x *P. caerulea*  
'Constance Elliott'

Sepal color: Light pink  
Petal color: Light pink  
Flower diameter: 10.0cm  
Floral tube length: N/A  
Flower shape: Reflexed  
Flower position: Oblique  
Stigma color: Green  
Styles color: Green with purple mottling decreasing towards tip.  
Position of androgynophore: Center  
Awns: Small  
Quantity of pollen: Scant  
Color of pollen: Yellow  
Scent: None

Blooming Period: Spring - Autumn  
Duration of bloom: 1.5 day  
Flower opens: Mid-morning  
Flower closes: Late afternoon  
Number of coronal series inner and outer: 5  
Filament morphology: Straight  
Color of outer coronal series: Large white center with light blue outer ring/tips.  
Color of inner coronal series: White with pink tips  
Lobation:  
Foliage shape: Lobate  
Foliage dimensions: 8 x 6cm  
Leaf margin: Entire

Bud

Adaxial texture: Waxy  
 Abaxial texture: Flat  
 Adaxial coloration: Dark green  
 Abaxial coloration: Light green  
 Quantity of petiole glands: Alternate  
 Petiole gland shape: Filiform  
 Petiole gland color: Green to purple  
 Petiole gland position: Mid and distal  
 Vine color: Red-purple  
 Vine shape: Round  
 Vine texture: Smooth  
 Fruit shape: Ellipsoid  
 Fruit color: Green to yellow  
 Fruit size: 3-5 x 8-12cm  
 Number of seeds: Few  
 Color of arils: Orange  
 Flavor of arils: Unpleasant  
 Peduncle length: 10-15cm  
 Peduncle position: Intermediate

Foliage

Bract size: 2 x 1.5cm  
 Bract shape: Heart-shaped  
 Bract color: Green with prominent purple veins  
 Extrofloral nectaries: None  
 Description of stipules: Half-heart-shaped with an egg mimic at the end of a small tail.  
 Vine vigor: Excellent  
 Floriferousness: Excellent

Humidity requirements: N/A  
 Light requirements: N/A  
 Max temp: N/A  
 Min temp for leaf hardiness: At least -5C  
 Min temp for root hardiness: At least -5C  
 Hybrid is named for: The breeder's wife.
